Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold any subaltern commission in the Militia, Local Militia, Fencibles, or Volunteers, and to receive it in addition to the full-pay of such commission during war. In time of peace, when the Militia is only embodied for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, commencing from the 25th June, 1813, with respect to Officers reduced at that date.

*** Both Rates of Half Pay are payable Quarterly, without Deduction, except the Property Tax.

• 1st March, 1816.

*Regulations and Rules relative to the Passages of Civil and Military Officers
in His Majesty's Ships of War.*

March 1, 1816.

1. NO passage at the public expence is to be given, either abroad or at home, without a special order of the Board of Admiralty, either on a signification of the Royal Pleasure, or on the usual official application from some other department of the Government.

2. The remuneration of Naval Officers for the expences which they may incur in conveying persons under such orders shall be made according to the length of time the passages may last, and the number of persons entertained, agreeably to the following Rates and Regulations.

3. The passages of Royal Personages will be considered on the circumstances of the individual cases.

4. For Ambassadors and their suites (not exceeding in the whole five persons) and for any passage not exceeding three days, the sum of 40*l*.
For any passage not exceeding seven days 80*l*.

5. For Ministers Plenipotentiary, Envoys, Governors of Colonies of the first class, or Commanders in Chief, when the latter are of higher rank than Major Generals, and the suites respectively not exceeding in the whole four persons; for a passage not exceeding three days 30*l*.
For a passage not exceeding seven days 60*l*.

6. For Governors and Commanders in Chief of lower rank than the foregoing, Military Officers and Diplomats not lower than Brigadier General and Secretary of Legation, with suites not exceeding in the whole three persons; for a passage not exceeding three days 25*l*.
For a passage not exceeding seven days 30*l*.

7. Passages exceeding seven days are to be paid for at the above rates for the first week, and afterwards at the rate of 1*l*. 10*s*. per diem for each person entertained at the Commanding Officer's table.

8. If a greater suite should be embarked than the supposed number for a passage not exceeding seven days, an additional allowance is to be made of 1*l*. 10*s*. per diem for each person so exceeding.

9. When individuals shall be ordered passages at the table of an Admiral or Naval Officer commanding a Ship or Vessel, 1*l*. 10*s*. shall be allowed for every day not exceeding fourteen, and 1*l*. for every day after.

10. When individuals shall be ordered to be entertained at the Lieutenants mess in any of His Majesty's Ships, 15*s*. shall be allowed for every day not exceeding fourteen, and 10*s*. for every subsequent day.

11. When a Naval Officer is directed to make preparation for any passengers, the Board of Admiralty will immediately recommend that half the estimated amount of the whole expences be immediately paid by the Treasury to the Agent of the Officer, of which he will be informed at the time; and when the Officer shall report to the Secretary of the Admiralty the performance and length of the service, a recommendation will be forwarded to the Treasury, agreeably to the number of persons entertained, for the payment of the remainder of the sum: but no Officer is to draw any bill whatsoever for these allowances.

12. If it should happen that the passenger does not embark after the order for receiving him has been given, or having embarked, should be re-landed or transferred to another Ship, the Naval Officer will nevertheless retain the half allowance already recommended, to cover the expences he may have been at in making the necessary preparations.

13. Consuls and their families are to be paid for under the 9th section.

14. Commissioners of the Navy and their families are to be paid for under the 9th section, and Naval Storekeepers under the 10th, and in these two cases, and these alone, the Commander in Chief or Senior Officer on a Foreign Station is authorized to order passages without a previous order from the Admiralty.

15. The remuneration for persons under Article 14, will be made according to the forms and rules prescribed in the other cases, except that they will be paid for by the Navy Board instead of the Treasury.

16. Commissaries ordered passages with or without charge of public money are to be entertained agreeably to their ranks in the Military Service, and paid for accordingly.

17. The sums specified in all the above cases include a provision for a reasonable number of servants.

18. It being understood that regimental Officers of the Army, when embarked with their troops, whether in troop ships or regular men of war, should all mess together, agreeably to the custom of the Army, the Naval Officer commanding His Majesty's ship in which Officers may be embarked under such circumstances, shall assign a proper place for holding the Regimental Mess, which the said Regimental Officers are to provide at their own expence, and no allowance whatsoever will be made on the part of the public to the Naval Officers for the entertainment of any Regimental Officers embarking with their troops, whatever be their ranks.

If it should be found convenient and agreeable to both parties, to unite the Regimental Mess with the Mess of the Lieutenants of His Majesty's ship, the Officers of the Army are, in this case also, to provide for their share of the actual expence thereof.

19. Officers of the Army, below the rank of General, not embarked with their troops, are, when ordered passages, to be entertained at the Captain's or Lieutenants' table, according to their respective ranks, and paid for under sections 9 and 10.

20. No further allowances than those before specified will, on any account whatsoever, be granted for any of the specified services.

21. The above rules will be rigidly adhered to; and if any Officer shall act inconsistently with them, he must himself be liable for all the expences incurred.

By Command of their Lordships.

J. W. CROKER.

Warrant authorizing the Admission of Discharged Soldiers upon the Out-Pension, without appearing personally before the Commissioners of Chelsea Hospital; when permitted to reside in British Colonies or Garrisons abroad.
Dated 25th March, 1816.

GEORGE P. R.

By His Royal Highness the Prince Regent of the United Kingdom of Great Britain and Ireland.

WE having taken into our consideration the situation of Soldiers, who, having been discharged abroad, as being disabled or worn out in our service, shall be desirous of residing in the colonies or garrisons where they may happen to be serving at the time of their being discharged, are graciously pleased to order, in the name and on the behalf of His Majesty, that Soldiers of the above description may be admitted upon the Out-Pension of Chelsea Hospital, without appearing personally before our Commissioners of the said Hospital.

Our will and pleasure therefore is, that when any Soldier, serving in any of our colonies or garrisons abroad, shall be discharged on account of unfitness for further service, and shall be recommended for the Out-Pension of Chelsea Hospital, and be permitted by the Officer commanding His Majesty's Forces on the station to reside in such colony or garrison, a report, in the annexed Form, shall be made upon the case of the Soldier, by the said Officer commanding; which Report shall be transmitted to our Secretary at War, together with the Discharge of the Soldier, in order to our pleasure upon the subject being signified to the Commissioners of Chelsea Hospital.

It is our further pleasure, that, until our decision upon the case of any such Soldier shall be received by the Officer commanding on the station where the man is to reside, he shall continue, notwithstanding his discharge, to be allowed all the advantages of a Soldier, as to pay and rations of provisions.

Given at our Court at Carlton House, this twenty-fifth day of March, 1816, in the fifty-sixth year of His Majesty's reign.

By command of His Royal Highness the Prince Regent, in the name and on the behalf of His Majesty.

Extracts from the Secretary at War's Instructions for Disembod- ing the abovementioned Corps of Militia, dated January, 1816.

"Each Subaltern, and the Surgeon's Mate, if any, will be allowed, as a gratuity, a sum to complete two months' pay each, from the date of their disembod-
ing, (any advance already made beyond the latter date being of course to be reckoned as a part of such gratuity); which, being granted to them in this shape, will not interfere with the receipt of Half Pay, nor of any other allowance, to which they are entitled, or may hereafter obtain, from Government. Officers holding two Appointments are, however, to receive the allowances for one of them only."

"The Adjutant, Paymaster, Surgeon, and Quarter Master, are not to have the said gratuity; it being intended that they shall be retained on duty and receive pay, commencing from the day subsequent to that of disembod-
ing inclusive, at the rates fixed by the Act of 35 Geo. 3, cap. 165."

"The Non-effective and Contingent Allowances of the Captains, the Mess Allowance, and other Regimental Allowances for Embodied Corps, are to cease from the date of disembod-
ing inclusive."

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold any subaltern commission in the Militia, Local Militia, Fencibles, or Volunteers, and to receive it in addition to the full-pay of such commission during war. In time of peace, when the Militia is only embodied for 28 days in the year, there is no restriction—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, commencing from the 22th June, 1814, with respect to Officers reduced at that date.

* * Both Rates of Half Pay are payable Quarterly, without Deduction.

The difference between the Subsistence and Gross Pay of the Officers of these Regiments, after deducting Poundage, Hospital, and Agency, is paid as "*Arrears*."

WAR OFFICE, 31st May, 1816.

Copies of several Circular Letters, &c. lately issued.—Published by Authority of the Secretary at War.

Warrant declaring the Rate of Chelsea Out-Pension to be granted to Serjeants of Regular and Provisional Militia, upon being Discharged and Recommended, after a Service of Twenty Years as Serjeants. Dated 23d April, 1816.

GEORGE P. R.

By His Royal Highness the Prince Regent of the United Kingdom of Great Britain and Ireland.

WHEREAS doubts have arisen whether Serjeants of Militia, discharged after a period of Twenty Years Service, as such, are entitled, under our Warrant of 28th February, 1814, to the Out-Pension of Twelve-pence per diem each from Chelsea Hospital: we are hereby pleased to de-

clare that it was, and is, our Royal Intention, that Serjeants of Regular and Provisional Militia, should, upon being regularly discharged and recommended, after a Service of Twenty Years as Serjeants, be entitled to the Out-Pension of Twelve-pence per diem each; although not discharged on account of Age or Infirmary.

And it is our further pleasure, that this our Warrant be duly observed by the Commissioners of Chelsea Hospital, and by all others whom it doth or may concern.

Given at our Court at Carlton House, this 23d day of April, 1816, in the Fifty-sixth Year of His Majesty's Reign.

By Command of His Royal Highness the Prince Regent, in the Name and on the Behalf of His Majesty.

WAR-OFFICE, DEPARTMENT OF ACCOMPTS, 4th May, 1816.

SIR,

WITH reference to the Circular from this Department, of the 27th ultimo, relative to the rate of allowance for the Hot Meal, I have Lord Palmerston's directions to acquaint you, that the allowance to be paid to discharged Men, from the 25th ultimo, will be One Shilling and Sixpence for each day's march, instead of One Shilling and Eightpence, as specified in the Circular Letter from this Department, of the 9th August last.

I am directed to add, that discharged Men proceeding to Ireland, are only to be paid the allowance to carry them to the Port from whence they are to embark, where a Passage will be provided; and on their landing in Ireland they will receive from the Detachment or District Paymaster in that country, the further allowance to which they are entitled.

The same rule will apply to discharged Men coming from Ireland to Great Britain.

I am, &c.

I have, &c.

No. 314. GENERAL ORDER.

HORSE-GUARDS, 18th May, 1816.

THE Commander in Chief has received the Prince Regent's Commands to notify to the Army, that it is His Royal Highness's pleasure, that General His Serene Highness Leopold George Frederick, Prince of Saxe Cobourg of Saalfeld, &c. shall, on all occasions, receive from the Troops the same Honors and Compliments as are prescribed by His Majesty's Regulations for the Princes of the Royal Family.

By Command of His Royal Highness

The Commander in Chief.

HARRY CALVERT,
Adjutant General.

Regulations and Rules relative to the Passages of Civil and Military Officers in His Majesty's Ships of War.

March 1, 1816.

1. NO passage at the public expence is to be given, either abroad or at home, without a special order of the Board of Admiralty, either on a signification of the Royal Pleasure, or on the usual official application from some other department of the Government.
2. The remuneration of Naval Officers for the expences which they may incur in conveying persons under such orders shall be made according to the length of time the passages may last, and the number of persons entertained, agreeably to the following Rates and Regulations.
3. The passages of Royal Personages will be considered on the circumstances of the individual cases.
4. For Ambassadors and their suites (not exceeding in the whole five persons) and for any passage not exceeding three days, the sum of 40*l*.
For any passage not exceeding seven days 80*l*.
5. For Ministers Plenipotentiary, E-voys, Governors of Colonies of the first class, or Commanders in Chief, when the latter are of higher rank than Major Generals, and the suites respectively not exceeding in the whole four persons; for a passage not exceeding three days 30*l*.
For a passage not exceeding seven days 60*l*.
6. For Governors and Commanders in Chief of lower rank than the foregoing, Military Officers and Diplomats not lower than Brigadier General and Secretary of Legation, with suites not exceeding in the whole three persons; for a passage not exceeding three days 25*l*.
For a passage not exceeding seven days 50*l*.
7. Passages exceeding seven days are to be paid for at the above rates for the first week, and afterwards at the rate of 1*l*. 10*s*. per diem for each person entertained at the Commanding Officer's table.
8. If a greater suite should be embarked than the supposed number for a passage not exceeding seven days, an additional allowance is to be made of 1*l*. 10*s*. per diem for each person so exceeding.
9. When individuals shall be ordered passages at the table of an Admiral or Naval Officer commanding a Ship or Vessel, 1*l*. 10*s*. shall be allowed for every day not exceeding fourteen, and 1*l*. for every day after.
10. When individuals shall be ordered to be entertained at the Lieutenants mess in any of His Majesty's Ships, 15*s*. shall be allowed for every day not exceeding fourteen, and 10*s*. for every subsequent day.
11. When a Naval Officer is directed to make preparation for any passengers, the Board of Admiralty will immediately recommend that half the estimated amount of the whole expences be immediately paid by the Treasury to the Agent of the Officer, of which he will be informed at the time; and when the Officer shall report to the Secretary of the Admiralty the performance and length of the service, a recommendation will be forwarded to the Treasury, agreeably to the number of persons entertained, for the payment of the remainder of the sum: but no Officer is to draw any but whatsoever for these allowances.
12. If it should happen that the passenger does not embark after the order for receiving him has been given, or having embarked, should be re-landed or transferred to another Ship, the Naval Officer will nevertheless retain the half allowance already recommended, to cover the expences he may have been at in making the necessary preparations.
13. Consuls and their families are to be paid for under the 9th section.
14. Commissioners of the Navy and their families are to be paid for under the 9th section, and Naval Storekeepers under the 10th, and in these two cases, and these alone, the Commander in Chief or Senior Officer on a Foreign Station is authorized to order passages without a previous order from the Admiralty.
15. The remuneration for persons under Article 14, will be made according to the forms and rules prescribed in the other cases, except that they will be paid for by the Navy Board instead of the Treasury.
16. Commissaries ordered passages with or without charge of public money are to be entertained agreeably to their ranks in the Military Service, and paid for accordingly.
17. The sums specified in all the above cases include a provision for a reasonable number of servants.
18. It being understood that regimental Officers of the Army, when embarked with their troops, whether in troopships or regular men of war, should all mess together, agreeably to the custom of the Army, the Naval Officer commanding His Majesty's ship in which Officers may be embarked under such circumstances, shall assign a proper place for holding the Regimental Mess, which the said Regimental Officers are to provide at their own expence, and no allowance whatsoever will be made on the part of the public to the Naval Officers for the entertainment of any Regimental Officers embarking with their troops, whatever be their ranks.
If it should be found convenient and agreeable to both parties, to unite the Regimental Mess with the Mess of the Lieutenants of His Majesty's ship, the Officers of the Army are, in this case also, to provide for their share of the actual expence thereof.
19. Officers of the Army, below the rank of General, not embarked with their troops, are, when ordered passages, to be entertained at the Captain's or Lieutenants' table, according to their respective ranks, and paid for under sections 9 and 10.
20. No further allowances than those before specified will, on any account whatsoever, be granted for any of the specified services.
21. The above rules will be rigidly adhered to; and if any Officer shall act inconsistently with them, he must himself be liable for all the expences incurred.

By Command of their Lordships,
J. W. CROKER.

HORSE-GUARDS, 10th March, 1816.

MEMORANDUM.

THE Prince Regent has been graciously pleased, in the name and on the behalf of His Majesty, to command, that, in commemoration of the brilliant and decisive victory of Waterloo, a medal shall be conferred upon every Officer, Non-commissioned Officer, and Soldier of the British Army present upon that memorable occasion.

His Royal Highness has further been pleased to command, that the ribband issued with the medal shall never be worn but with the medal suspended to it.

By Command of His Royal Highness the Prince Regent.

FREDERICK, Commander in Chief.

Extracts from the Secretary at War's Instructions for Disembodysg the abovementioned Corps of Militia, dated January, 1816.

"Each Subaltern, and the Surgeon's Mate, if any, will be allowed, as a gratuity, a sum to complete two months' pay each, from the date of their disembodysg, (any advance already made beyond the latter date being of course to be reckoned as a part of such gratuity); which, being granted to them in this shape, will not interfere with the receipt of Half Pay, nor of any other allowance, to which they are entitled, or may hereafter obtain, from Government. Officers holding two Appointments are, however, to receive the allowances for one of them only."

"The Adjutant, Paymaster, Surgeon, and Quarter Master, are not to have the said gratuity; it being intended that they shall be retained on duty and receive pay, commencing from the day subsequent to that of disembodysg inclusive, at the rates fixed by the Act of 35 Geo. 3, cap. 163."

"The Non-effective and Contingent Allowances of the Captains, the Mess Allowance, and other Regimental Allowances for Embodied Corps, are to cease from the date of disembodysg inclusive."

By Authority.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold any subaltera commission in the Militia, Local Militia, Fencibles, or Volunteers, and to receive it in addition to the full-pay of such commission during war. In time of peace, when the Militia is only embodied for 28 days in the year, there is no restriction—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, commencing from the 25th June, 1814, with respect to Officers reduced at that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall

THE Quarterly Pay Lists of Corps on Foreign Stations being, by the Regulations, required to be sent off by the earliest opportunity that may occur, after the expiration of a month from the termination of each Quarter; but it being found, that, in many instances, this rule has been disregarded, I have the honour to signify to you the Prince Regent's Pleasure, in the Name and on the Behalf of His Majesty, that you do require the Commanding Officers of Regiments within your Command, invariably to report to you, at the proper periods, whether the Quarterly Accounts of their respective Paymasters have, or have not, been sent off; and that you do immediately suspend, from Duty, Pay, and Allowances, any Paymaster, who shall not be reported as having performed this important part of his Duty, provided the Regiment is not engaged in such active Service, as in your opinion may justify your withholding the Suspension.

I am to add, that the Suspension is to continue until the Account shall have been sent, leaving it to the Paymaster, afterwards to make, through his Commanding Officer, any representation he may judge proper, of the ground upon which he may consider the delay to have been unavoidable.

You will be pleased to report to me the suspensions which you shall, from time to time, think necessary to order, in pursuance of these Instructions.

GENERAL ORDER. No. 315.

HORSE-GUARDS, 19th June, 1816.

IN consequence of the alteration in the Cap established for the Infantry, His Royal Highness the Prince Regent has been pleased to approve of the following Regulations, viz.

On the Caps of Officers of the Line, the Badges, or Devices, are to be placed or inserted on the Plate above the Number of the Regiment, which must not, however, be increased in size in consequence of this addition.

The Inscriptions which Regiments are allowed to use, as commemorative of the Actions in which they have been engaged, are to be expressed on a narrow Plate, which is to be placed on the Scaled Loop under the Cockade.

The Caps of the Non-commissioned Officers and Privates of the Line, are to be without any Badge, Device, or Inscription.

The Officers, Non commissioned Officers, and Privates, of *Light Infantry Corps*, and *Companies*, and of the *Rifle Brigade*, are to wear a small *Bugle Horn* only in the front of their Caps, with the number of the *Regiment* on the Cockade in the Case of *Light Infantry Corps* and *Companies*, and with the Number of the *Battalion* in the Case of the *Rifle Brigade*.

A Pattern Cap for the Foot Guards and the Line, and a Pattern Cap for the 60th Regiment, are lodged at the Office of the Clothing Board at Whitehall. The latter is to be considered as established for *Light Infantry Corps*, and *Companies*, generally.

WAR-OFFICE, 29th June, 1816.

SIR,

IN reference to my Circular Letter, No. 183, dated 6th October, 1813, respecting the Intistment of a certain proportion of Boys, to be employed on the Recruiting Service as Drummers and Fifers, I have the honour to acquaint you, that as the Intistment of Boy Recruits for Infantry Regiments has been wholly discontinued, except in the cases of Corps stationed in India, and at the Cape of Good Hope, His Royal Highness the Prince Regent is pleased, in the name and on the behalf of His Majesty, to order, that the employment of Boys for the Recruiting Service as abovementioned, shall cease.

It is however His Royal Highness's intention, that such Boys as are at present employed as Drummers and Fifers, shall be retained for that duty, until they can be posted to vacancies qu the establishment as Drummers or Fifers, or be placed in the ranks as Soldiers.

WAR-OFFICE, 25th July, 1816.

SIR,

I HAVE the honour to transmit herewith for your information and guidance a Copy of a Regulation approved by His Royal Highness the Prince Regent, for the Issue of Marching Money, Out-Pension, Family Allowance, and Passage Money, for Soldiers of the Line discharged in consequence of Reduction, of Wounds or Infirmities, or of having completed their respective periods of Service.

I have, &c.

PALMERSTON.

Officer Commanding

No. 88,067.

No. 88,067.

Regulation for the Issue of Marching Money, Out-Pension, Family Allowance, and Passage Money, for Soldiers of the Line discharged in consequence of Reduction, of Wounds or Infirmities, or of having completed their respective periods of Service.

MARCHING MONEY, AND OUT-PENSION.

If not recommended for the Pension.—Non-commissioned Officers and Men who shall be discharged, in Great Britain, and not recommended for the Chelsea Pension, are to receive, from the Regimental Paymaster, Marching Money at One Shilling and Sixpence * per diem beyond the dates of Discharge, according to the distance which they will have to travel *by Land*, by the nearest Route to the places in which they shall have been originally enlisted; reckoning Ten-Miles for a Day's March, without halting days. If in dividing the number of miles by ten, a fraction should remain, such excess may be considered as an additional Day's March. When discharged abroad, the Marching Money is of course to be calculated from the places of their landing in this country. Soldiers who had volunteered from the Army of Reserve, or Militia, into the Line, are to receive Marching Money to the places of their Enrolment into either of those services.

If recommended for the Pension.—Non-commissioned Officers and Men, recommended for the Out-Pension of Chelsea Hospital, are to receive an advance of money sufficient to carry them to London; the amount of which advance is to be reimbursed to the Regimental Paymaster by the Paymaster of Detachments at Chelsea, who will also subsidize the Men according to their respective ranks, up to the dates of their passing an Examination before the Chelsea Board; and, if they are admitted on the Pension List, will issue to them the difference between the Daily Rate of their Out-Pension, and the Marching Money, from Chelsea to the places of their Enlistment or Enrolment, at the rate, and under the rules above specified. If rejected by the Chelsea Board, the said Paymaster of Detachments will issue to the Men the said Allowance of Marching Money.

Soldiers discharged from Veteran Battalions, or Garrison Companies, if they were Out-Pensioners when they were called upon for Service in those Corps, are to receive Marching Money to the places at which they resided when so called upon.

FAMILY ALLOWANCE.

Rate, and Mode of issuing Family Allowance.—An Allowance is to be granted to the Families of Men present with the Battalion when discharged, whether recommended for the Chelsea Pension or not, at the Rate of Three Half-pence per Mile for each of the Wives, and One Penny per Mile for each of the Children, for the distance to be necessarily travelled by Land in their way home: if the Men have to appear before the Board at Chelsea, and their Families necessarily accompany them to Chelsea, the Allowance is to be paid by the Regimental Paymaster, for the distance to that place, and the remaining proportion of the Allowance, calculated to the place to which the Men are to receive Marching Money, will be issued upon their leaving Chelsea, by the Paymaster of Detachments there, who is also to reimburse the advance made by the Regimental Paymaster.

When proceeding from England to Ireland.—In the cases of Men and their Families proceeding from England to Ireland, the above Allowances are to be issued, in the first instance, only for the distance to Bristol or Liverpool, according as they shall have necessarily to go to one or other of those places; and the remainder of the Allowances to carry them to their homes, is to be issued to them on their arrival at Waterford, Cork, or Dublin, by the Detachment Paymasters there, and charged in their Accounts.

When proceeding from Scotland to Ireland.—If proceeding from Scotland to Ireland, the Allowances are to be issued to Port Patrick, in the first instance; and the remainder is to be issued by the District Paymaster at Belfast, and charged in his Accounts.

When proceeding through Edinburgh or Glasgow.—Discharged Soldiers and their Families necessarily proceeding to their Homes, through Edinburgh or Glasgow, are, if sent by water to either of those Cities, to be settled with by the proper Paymaster, to the place of Embarkation for Edinburgh or Glasgow; and the remainder of the Allowances are to be issued by the District Paymasters in those Cities, and charged in their Accounts.

Certificates of Issue, &c.—The Regimental Paymaster, or the Paymaster of Detachments at Chelsea, settling with the Men, will accordingly furnish each Man with a Certificate shewing

* This rate is of course liable to variation, as depending upon the rate of Allowance to be annually sanctioned by Parliament, for Soldiers on a March, and dictated by Innkeepers.

Aug. 1816.

the Particulars of the Sum so issued to him and his Family, mentioning the places to which they are to proceed: and a Duplicate of the Certificate should be forwarded to the Paymaster who will have to pay the remainder of the Marching Money and Family Allowance, which Duplicate is to be annexed as a Voucher in support of the charge.

Statement of Men and their Families.—A List of the Men, shewing the number of their Families, sent from the Battalion to Bristol or to Liverpool for Ireland, or to their Homes in this Country, and of those sent to Chelsea, is to be transmitted by the Regimental Paymaster to the Agent, who is to render every requisite assistance to the Paymaster of Detachments at Chelsea, in settling with the Men. Duplicates of these Statements are to be transmitted to the Department of Accompts.

PASSAGES BY SEA.

In all cases in which the Men or their Families can conveniently proceed partly by Sea, they are to be sent by that conveyance; and of course are not to receive either the Marching Money, or the Allowance per Mile, for such proportion of their journey. The following Rules are to be observed in respect to Passages by Sea.

From England to Ireland.—If proceeding from England to Ireland, they are to be provided with free Passages in the Vessels for conveying Soldiers from Bristol to Waterford or Cork, or from Liverpool to Dublin, according to the place of their ulterior destination.

From Liverpool to Ireland.—Men proceeding from Liverpool to Ireland will be allowed Subsistence at the rate of One Shilling per diem each, for the number of days during which they may be necessarily detained at Liverpool waiting for Passages; the amount of which will be issued by the Detachment Paymaster at that place; and a further Allowance of Three Days' Subsistence each, at the like rate, is to be issued to the Men, through the same channel, on embarkation, to enable them to supply themselves with Provisions whilst on the passage to Ireland. The expense of the Passages from Liverpool to Ireland will be defrayed by the Paymaster of Detachments in Dublin, upon Certificates from the Paymaster of Detachments at Liverpool, specifying the proper rates: and the Passage Money from Ireland to Liverpool is chargeable at Liverpool.

From Bristol to Ireland.—Men proceeding from Bristol to Ireland will be subsisted by the Paymaster of Detachments at Bristol, whilst necessarily detained there, and will also be provided with a Passage and Provisions, under an arrangement which has been formed for that purpose.

From Scotland to Ireland.—To Men discharged in Scotland, and proceeding to Ireland, Passage Money from Port Patrick to Donaghadee (or preferably to Belfast), will be allowed at the Rate of Five Shillings each for themselves, and Two Shillings and Sixpence for each of their Wives and Children: the amount whereof will be chargeable in the Belfast District Accompts.

From England to Scotland.—To Men discharged in England, and necessarily proceeding through London to Scotland, an Allowance will be granted for providing Passages from London as follows:

To Berwick, One Pound Five Shillings for each Man, and the same for his Wife; and Twelve Shillings and Sixpence for each Child.

To Leith, Dundee, Montrose, or Aberdeen, One Pound Eleven Shillings and Sixpence for each Man, and the same for his Wife; and Fifteen Shillings and Ninepence for each Child.

To Cromarty, Inverness, or any Port North of those Places, Two Guineas for each Man or Wife; and One Guinea for each Child.

From Scotland to England.—The like Allowances for Passages will be granted on account of such Men discharged in Scotland and their Families, as may have necessarily to proceed to London, on the way to their respective homes. From Leith to Tilbury Fort the rate is One Pound Five Shillings for each Man or Wife; and Twelve Shillings and Sixpence for each Child.

To or from Jersey or Guernsey.—If proceeding to, or returning from Jersey or Guernsey, the actual and proper expense of Passages from or to Weymouth or Southampton will be allowed.

Passage Money not to be paid to discharged Men or their Families.—It is to be distinctly understood, that in any cases in which the Commanding Officer or Agent may be able to provide Passages, the Passage Money should be paid to the persons with whom the agreement for such Passages is made; and not to the discharged Men or their Families.

GENERAL DIRECTIONS.

Issues to be specified on the Discharges, &c.—With the view of preventing questions as to the actual Issues made on account of Discharged Soldiers and their Families, every Agent, Paymaster, or other Officer, by whom such Issues shall be made, is enjoined to specify the particulars thereof upon the back of the Soldier's Discharge, or of the Instructions from Chelsea; and also to state whether the Parties have been provided with Passages at the Public Expense.

Issues by Paymasters of Staff or Regimental Depots.—Paymasters of Depots, or Districts, who may have occasion to issue Marching Money or Family Allowance to Discharged Soldiers are of course to govern themselves by the above Regulations.

These Rules not to apply to Men discharged at their own requests.—These Regulations are not applicable in the cases of Men discharged, as matter of favour, at their own requests; they not being entitled to any Allowance beyond the dates of their Discharge.

When there is not a Paymaster of Detachments at Chelsea.—If there should not be any Paymaster of Detachments at Chelsea, the Issues are to be made by the Regimental Agents.

Given at the War-Office, this 23th Day of July, 1816.

By Command of His Royal Highness the Prince Regent,

in the name and on the behalf of His Majesty.

PALMERSTON.

GENERAL ORDER. No. 317.

HORSE GUARDS, 28th June, 1816.

THE General Order of the 10th May, 1815, for providing for the Transport of Forge Waggon attached to Regiments of Cavalry, being applicable only to the War Establishment, His Royal Highness the Commander in Chief has been pleased to direct, that each Regiment of Cavalry in the United Kingdom shall now be furnished by the Royal Waggon Train with the following Numbers, viz.

- 2 Privates,
- 4 Horses, and
- 2 Forge Waggon.

By Command of His Royal Highness
The Commander in Chief.

HARRY CALVERT,
Adjutant General.

GENERAL ORDER. No. 318.

HORSE GUARDS, 1st July, 1816.

WITH a view of ascertaining the Marriages of Soldiers, and the Age and Baptism of their legitimate Children, the Commander in Chief is pleased to issue the following General Order, and His Royal Highness assures himself, that every Individual Officer will feel it incumbent on him to pay the utmost attention to a point on which the Interests and Comfort of the Soldiers and of their Offspring so materially depend.

1st. A Book of Registry shall be kept in every Regiment and Battalion, in which the Marriage of every Non-commissioned Officer and Private, and the Baptism and the Age of every legitimate Child born of Parents belonging to such Regiment or Battalion, shall be recorded; and the said Registry shall be certified by the Signature of the Adjutant.

2d. No Chaplain to the Forces, or Clergyman officiating to them, shall on any account solemnize the Marriage of a Non-commissioned Officer or Soldier without a written permission from the Officer Commanding the Regiment or Battalion.

Every Soldier, previous to his Marriage, should obtain the consent of his Commanding Officer, and state the name and condition of the Woman he proposes to marry, and whether she be a Spinster or Widow.

3d. In England, Marriages can be solemnized only according to the provisions of the Marriage Act.

When a Soldier is married in Ireland or Scotland, care must be taken by his Commanding Officer not only that the ceremony be legal, but that it be not clandestine.

In Great Britain, a Soldier's Marriage is not likely at any time to be solemnized by a Chaplain to the Forces; the Soldier therefore must be specially ordered to ask, at the time of marriage, a Certificate from the Officiating Clergyman, which he shall bring to his Adjutant, to be inserted in the Regimental Register, according to the Form prescribed in this Order, and the said Adjutant shall sign his name to every such Registry, as giving the Contents of the Certificate produced.

When Soldiers with His Majesty's Forces on the Continent of Europe, or beyond Sea in the Field, are married, as the ceremony will probably be performed by a Chaplain to the Forces, such Chaplain is hereby commanded to certify the said marriage with his own hand and signature, and to require the same from the Witnesses, in the respective Regimental Registers. When Soldiers are married in any of His Majesty's Garrisons or Settlements Abroad, the Commanding Officer of the Battalion shall take precaution that the local regulations relative to marriages be carefully regarded. If the ceremony in such case be solemnized by a Chaplain to the Forces, or Clergyman usually officiating to them, this Chaplain shall certify the marriage with his own hand and signature in the Register of the Battalion to which the Soldier belongs, notwithstanding the same may have been recorded in any Parochial or Garrison Register. Should the marriage have taken place in some parochial church, or by a clergyman not usually officiating to the Troops, the Soldier shall apply at the time for a certificate of his marriage, and it shall be recorded in the same way, as before ordered, when marriages take place in Great Britain.

4th. If Marriages or Baptisms take place in a Detachment from a Battalion, or at its Depot, the Officer Commanding the Detachment or Depot, is to require the Soldier to obtain a Certificate from the Clergyman officiating, which he shall send to the Adjutant, in order to its being recorded in the Regimental Register.

5th. The Regimental Register of Marriages is to contain the following particulars, viz.

1. The Rank, and Christian and Surname of the Soldier, specifying whether Bachelor or Widower.
2. The Christian and Surname of the Woman, specifying whether Spinster or Widow.
3. The Place of Marriage, specifying Parish, County, &c. &c.
4. The Date of Marriage.
5. The Signatures of the Parties married.
6. The Signatures of Two Witnesses present at the Ceremony.
7. The Signature of the Chaplain, or Officiating Clergyman, by whom the Marriage was solemnized.
8. The Certificate of the Adjutant that the Registry is correct.

6th. In all cases of Baptism of Children of Non-commissioned Officers and Soldiers, the Parties are commanded to bring without delay to the Adjutants of their respective Corps, for the purpose of being registered, an Account, containing

1. The Date of the Child's Birth.
2. The Place and Date of its Baptism.
3. The Christian Name of the Child.
4. The Christian and Surnames of the Parents.
5. The Rank of the Father.
6. The Name of the Chaplain, or other Clergyman, by whom the Ceremony was performed.

7th. Nothing in this Order is to be construed as superseding the necessity of General Registers being kept by the Chaplains to the Forces or other Clergymen in any of His Majesty's Foreign Garrisons or Settlements.

8th. His Royal Highness the Commander in Chief recommends to Officers who are married, and to Married Officers who have Children baptized, while on Foreign Service with their Battalion, to avail themselves of the Regimental Register. There are circumstances in which no regular or permanent Record of such Marriage or Baptism would otherwise be found.

His Royal Highness is desirous that the Objects which this Order is intended to answer, and which are important both in a national and moral point of view, may be most fully explained to the Army, and that every Soldier may understand, that while it is calculated to prevent Imposition, it affords the most ready means of obtaining for his legitimate Offspring any benefit from His Majesty's most gracious Institution, the Royal Military Asylum, and from other public Establishments, which, under the Royal Approbation, have, on particular occasions, been formed for the Relief of the Wives, and the Children of Soldiers.

In many Cases, Civil as well as Military, the Regimental Register may prove the only record in existence.—Instances have occurred in which property to a large amount has descended to the Children of private Soldiers, and of which they have been unable to obtain possession from the want of satisfactory evidence of their Parents' Marriage, which the Regimental Register is calculated to afford.

By Order of His Royal Highness

The Commander in Chief.

HARRY CALVERT,

Adjutant-General.

A Book containing the prescribed Forms of the Registries of Marriages and Baptisms is to be procured of Mr. CLOWES, Northumberland-court, Strand, London.
